4-13.4 Relinquishment Map (Collateral Facilities)

Relinquishment maps used in the relinquishment of collateral facilities serve the same purpose and use as relinquishment maps for superseded highways and highways deleted by Legislative Act. Preparation of the Detail Map and Index Map is the same as stated for superseded and legislative deleted mapping. Map requirements are also the same except for the following:

- The segment must have calculated bearings and distances around the entire perimeter.
- It is not necessary to show excess land excluded from the segment.
- The mapping should show the relationship of the segments to the highway or freeway, including Design line.

See example of the Relinquishment Map (Collateral Facilities).
